RECORD OF PROCEEDINGS.

June Meeting Board of Trustees.

•1893•

Maryland Agricultural College.

JUNE 9th, 1893.

The Quarterly Meeting of the Trustees of the Maryland Agricultural College was held to-day at the college, and was called to order by Governor Brown at 11 o'clock A. M.

There were present: Messrs. Brown, Poe, Lloyd, Vandiver, Smith, Jones, Johnson, Calvert, Dodge, Stanley, Seibert, Silver, Biedler, Moss, Evans and Purnell. The minutes of the last meeting were read and approved.

The Treasurer offered his quarterly report of receipts and expenditures for the college and experiment station; which reports were accepted by the Board.

President R. W. Silvester offered his quarterly report as to the condition of the college, which was read by him, and accepted by the Board.

On motion of Mr. Vandiver, it was ordered: That hereafter the college year shall close on June 30th.

On motion of Mr. Smith, it was ordered: That the degree of Bachelor of Science be conferred upon such students of the senior class, as the Faculty shall recommend to be worthy of that degree.

On motion of Mr. Stanley, it was ordered: That a charge of four dollars be made annually, against each student for medical attendance.

On motion of Mr. Calvert, it was ordered: That a medical practitioner be engaged at a compensation of thirty dollars per month, during the scholastic year; whose duty it shall be to visit the college daily, and render to the students free of charge such professional services as may be demanded by illness.

Director Miller offered his quarterly report as to the condition and work of the Experiment Station, which was read and accepted by the Board.

On motion of Mr. Jones, it was ordered. That the Experiment Station Staff be increased by the election of an Entomologist and a Geologist.

Mr. Smith, Chairman of the Executive Committee, offered a report, accompanied by the reports of the several standing committees, all of which were read in full and by a unanimous vote of the Board, the recommendations and appropriations made, were adopted and hereunto appended.

On motion of Mr. Stanley, it was ordered: That the communication from Lt. John S. Grisard, U. S. A. Military Instructor of College Cadets, be referred to President R. W. Silvester with instruction that he report to the next meeting of the Board his action thereon.

On motion of Sen. Moss, it was ordered: That contracts be made with the College Professors on the same terms as heretofore.

The attention of the Board having been called to the claim of Messrs. L. Cahill & Co., for the payment of a note given them by A. J. Smith, a former president of this college, for \$80.00; said note being of date April 12, 1887, it was ordered: That the College Registrar be instructed to ascertain if possible the facts as to the purchase of the two sulky plows for which said note was given.

On motion of Mr. Biedler, it was ordered: That the bill for the fire escape placed on the college building be paid, when funds become available.

On motion, it was ordered: That the Chair be requested to appoint a committee of three, who, with the college president, shall revise the By-Laws of this corporation, and report their action to the next trustee meeting.—The Chair appointed Messrs. Poe, Moss and Smith.

On motion of Mr. Vandiver, it was ordered: That the Chair be requested to appoint a committee of five trustees, who, with the college president, are requested to consider the proposition of securing for the college an electrical plant for heating and lighting the college building and laboratories; and to report to the next meeting of the college trustees as to the

cost, and means for payment. The Chair appointed as said committee, Messrs. Vandiver, Evans, Stanley, Johnson and Biedler.

An election having been ordered for Officers of the College, and Experiment Station, for the year beginning July 1st, 1893, the following received the unanimous vote of the Board, all its members being present except Col. John Carroll Walsh, viz:
